

South Woodham Ferrers Health & Social Care Group

PUBLIC MEETING

Another reorganisation of SWF's (South Woodham Ferrers) health and social care is due in July 2022.

Could this be a real opportunity for better collaborative working and services for patients and service users?

Are Integrated Care Systems (ICSs) the answer to prayer or increasing the bureaucracy?

Find out, comment and ask questions at 6.30-8.30pm on Tuesday 29 March 2022 by virtual Zoom Meeting

AGENDA

1. Welcome, Apologies & Introductions – Chair
2. Keynote Speakers:
 - a. **Anthony ('Mac') McKeever, Executive Lead, Mid & South Essex Health & Care Partnership**, about: the formation of the Mid & South Essex Integrated Care System (ICS), its launch & future; collaborations between commissioners and providers of all local health and social care; and the organisational arrangements; and,
 - b. **Dan Doherty, Alliance Director, Mid Essex Clinical Commissioning Group**, about: how Mid Essex Place (Braintree, Chelmsford & Maldon districts) will operate within the ICS; how SWF be served with all the Town's health and welfare provisions; and about how the SWF & Dengie Primary Care Network (PCN) fits into all this.
3. To Consider & Discuss the changes, what SWF needs and wants and how it will happen. **Note: the presentations will have taken half the time and this opportunity for attendees to debate and discuss will have the other half of the time.**
4. Any Other Business
